Justification: (attach separate document if necessary)

We seek approval for a new one-year pre-medical cohort-type post-baccalaureate program. This program will consist of already existing courses, but will be packaged together to give students the ability to complete all undergraduate requirements for medical school admission within a one-year period. This program is designed specifically in response to a DoD proposal for a one-year cohort undergraduate program with a purpose of preparing military enlisted personnel to become qualified to enter the military medical school (Uniformed Services University) located in Bethesda, MD.
