## **Course Change Proposal Submitted to the Curriculum Committee of the College of Science**

### **1. COURSE NUMBER AND TITLE:**

GGS 304 – Population Dimensions of Global Change to GGS 304 – Population Geography

### **2. CHANGE JUSTIFICATION:**

The previous title was made (and merged into the current GGS code) at a time when there was a separate geography department, and having the term geography in the name was not passable. Now that we are a single department, the overly verbose title is unnecessary.

Approved by the GGS Curriculum Committee on Sept 8, 2015. Approved by GGS Department on October 14, 2015
