### **FOR ALL COURSES** (required)

Course Number and Title: **EVPP 637 Human Dimensions of Climate Change**

Date of Departmental Approval: **8 Sept 2016**

### **FOR INACTIVATED/REINSTATED COURSES** (required if inactivating/reinstating a course)

- Reason for Inactivating/Reinstating:

### **FOR MODIFIED COURSES** (required if modifying a course)

- Summary of the Modification:

#### **Title change of class**

- Text before Modification (title, repeat status, catalog description, etc.):

**EVPP 637 Human Dimensions of Global Change**

- Text after Modification (title, repeat status, catalog description, etc.):

**EVPP 637 Human Dimensions of Climate Change**

- Reason for the Modification:

**“EVPP 637, although on the books, had not been taught for 10 years and no faculty in the department taught it. At the same time, Dr Crate was offering a similar course as a 741 for several years and was planning to submit it as an EVPP course-- and while looking for a number discovered the 637 course, the description of which was similar and which had not been taught for 10 years. Therefore, with the encouragement of the ESP curriculum committee, she has proposed this course reinstatement/ title modification”**

**ESP does not offer any classes that conflict with this one, looking at global/climate change from a social science/human perspective.**
